Description

The FB5000 is an A3 flatbed scanner, capable of scanning up to A3 sized documents. The FB5000 is ideal for scanning book spreads, two letter-sized pages simultaneously, large-format magazines and documents as well as photographs all in brilliant colour.

With the benefit of the multiple images cropping feature, various sized documents such as photos and business can be placed on the flatbed and scanned simultaneously and then cropped to create multiple images according to the original sized documents. The programmable button feature then permits the user to preset destinations on the scanner so scanned documents can be sent directly to specified folders, editing software by the simple press of a button.

Main features: Flatbed, A3, USB2, Scans a colour A3 page in 6 seconds, for Windows (Mac optional). 1 year warranty RTB.
